

The Canada Agriculture Museum Foundation would like to invite **you** to participate in the sixth annual ***Baskets with Panache!*** fundraising auction, being held on **Wednesday, June 13, 2012**, by donating a themed gift basket for auction. With your support, our community's underprivileged and special needs children can attend the Museum's school programs and summer day camps for an unforgettable hands-on farm experience. Funds raised cover all costs related to transportation, school and summer camp program fees for deserving children.

WHO BENEFITS?

To date, *Baskets with Panache!* has subsidized the costs — transportation, supplies, equipment, and program registration fees — for more than **12,500 underprivileged children** to attend our school programs and attend our summer day camps. These children, who otherwise might not have had the opportunity, experience for themselves where our food comes from and why agriculture is so important to our daily lives!

DONATE AN AUCTION BASKET FOR A GREAT CAUSE!

We are encouraged that, among others, **Jacquelin Holzman**, former mayor of Ottawa and **Gay Cook**, retired food writer with the Ottawa Citizen, have each already agreed to provide a unique basket for this event. Having a basket from your organization would be an excellent addition to our growing list of basket donors. There are 50 spots open for baskets in the \$75 - \$500 range to be auctioned silently, and 12 spots for baskets valued at over \$500, to be auctioned off live by **Majic 100 Morning Show** radio host **Stuntman Stu**.

As soon as your auction basket or auction item(s) is ready, please contact the undersigned to make arrangements to collect the donation.

Baskets with Panache! is a wonderful opportunity to help underprivileged children in our community.

Sincerely,

Wally Parsons
